President's Reports

The meeting was opened with a prayer.

Trey has been working on the SJAA website. He has asked the board members to take a look at the website and send him any ideas or concerns.

Trey wants each board member to submit a written copy of their report to the secretary at each meeting. The written reports will be added to the minutes. The minutes will be sent via email to the board for review and then posted on the web site so they can be viewed by parishoners.

Trey received information regarding starting a track program here at St. Joseph's. He will put an add in the bulletin to get an idea of how many children might be interested. Once more information is available, Trey will forward on to board members to decide if we want to pursue a track program.

Nominations for Treasurer and Vice President will be made at the January 14th, 2007 SJAA meeting.

Special Reports:

Fundraising/Finance: Trey reviewed other parish websites for fundraising ideas. Several suggestions regarding promoting businesses at Wiles fields with signs could possibly be used to help our fundraising. More discussion is planned at the next meeting regarding ways to increase fundraising possibilities.

New Board members: Dede Remspecher and Tina Blumenkemper have both showed interest in the volleyball lay director positions. Matt Brown is here this evening to possibly pursue the treasurer position. The position of baseball lay director still needs to be filled.

Amy Jacezko: CYC ID card night will be held Tuesday, December 19th 6-8PM at St. Joseph's. Volunteers are still needed to work this function.

The district is short on 250 gym hours. Games could possibly be held at St. Joe on Saturday evenings to make up these hours.
- Dan Randolph: In the past the SJAA has given a Christmas gift to Mrs. Wiles to show our appreciation for the use of her land. Dan would once again like to provide Mrs. Wiles with a gift. Dan made a motion to give Mrs. Wiles a gift, seconded by Dave Myers.
